

KIDS IN TRANSITION
TO SCHOOL

Kindergarten Registration Events in Lane County 2020

This is a list of kindergarten registration and orientation events for districts around Lane County that will be offering KITS in Summer 2020. Sign-ups for the KITS Program will be held at these events (or by calling the school).

*****A few things to note:**

Only schools that are likely to participate in KITS are listed (as determined by the individual school districts). Schools are listed first with their school district in parentheses. This is NOT a comprehensive listing of all kindergarten events in Lane County.

At this time (Feb 2020) not all districts have decided whether they will be participating in KITS. Districts that participated last year but have not yet confirmed for this year are marked with a star. Also, some districts that will be participating have not yet scheduled their events. We will update the list as we get more information.

This information was accurate at the time we created the list. **Districts may change their schedules.** Therefore, it is best to double-check information about a particular school on the school or district web site. See the last page for web sites.

Please check our website at www.kidsintransitiontoschool.org for further updates. We will also post information about registration events on our Facebook page (<https://www.facebook.com/KITSProgram/>).

We hope to see you at KITS this summer!

FEBRUARY 2020

Wed 2/19:

Lundy (Lowell) K registration 5:30 - 6:30
pm
